## WHAT TO KNOW / EXPECT

- Please wear scrubs and closed-toed shoes.
- Due to trainings being one-on-one we can go as fast or slow as your unique needs, I am yours for the day. Please bring water, snacks, or lunch if desired. There is a microwave, water fountain, and restroom on-site if needed.
  - 6 hour trainings will have a 15 min break
  - 8 hour trainings will have a 30 min break
- Attendees must provide proof of professional license to attend.
- If injector does not hold a state license, a demo class will take the place of hands-on injecting.
- Product for hands-on portion will be available at cost by the models or trainee
- Supplies and malpractice coverage for the day will be provided at no additional cost
- There are no guarantees of job placement by attending this course

## MODELS

- You will need to bring 2 models per day of training. I will guide you on a timeline for models to arrive one week prior to your training. If you cannot provide models, I may be able to assist, just shoot me an email!
- In order to ensure the best learning experience, I will need to see photos of your desired models. Once they are approved by me please obtain the following from each model and email it to me:
  - Full name
  - Date of birth
  - Email
  - Contact number
- They will receive access to a patient portal where they will fill out all the needed forms for me to review. If there are any medical concerns disqualifying them from the training, I will be in touch.

\*Please have all of the above to me at least 7 days prior to your training

## MODELS CONT.

- Advise all models to be off blood-thinning medications and supplements if cleared by their physician for 1-2 weeks prior to the training, avoid alcohol 72 hours prior, as well as no caffeine or working out the day of training. Bruising and swelling is a possibility, be sure they plan to defer all social events for 2 weeks post injections. **For filler, courses ensure your patients have no vaccinations or dental procedures 2 weeks before or after the training.** Patients' skin should be healthy and free of excessive breakouts, cold sores, and active infections.
- All models must arrive with a clean face free of makeup and will be numbed on-site (Filler).
- Models will receive all products injected during the training at a discounted (price list below), please notify models and a quote can be given prior to injecting. You may also choose to cover this cost if desired.
